

English exercises 10

Monday 01/02/2021

09:55 – 11:25

Read both (!) texts on p. 54 and p. 55 *Science – what is it good for*

Working with the texts:

- note down the most important ideas in both extracts
- what are the differences and similarities?

Use what you know from the texts and write a short (!) comment (100-200 words) on “The importance of science in modern society”

Thursday 04/02/2021

08:15 – 09:40

Workbook p. 32 number 2 *Revision How railways began* + 3 *Speaking The story behind the invention* (in this task I would like you to prepare a small speech for the next online lesson – please choose a different inventor than for the task last week and make sure that you include **active** and **passive verb forms!**)
