1. Make a poster (A3) about Welsh sights (in English):
 - a) In your poster you have to present 4 Welsh sights³ (but others than the ones in the book last week)! Search 4 Welsh sights on the internet and note important / interesting information about them
 - b) Write a paragraph about each⁴ of your 4 sights (about 4 sentences). Begin each paragraph with a topic sentence!
 - c) Put the 4 paragraphs on the poster and add some pictures too!
